## SHAWANO COUNTRY BARN QUILT PROJECT

Shawano Country's exciting barn quilt project, started in 2010, now has over 100 of these colorful, 8' x 8' quilt blocks mounted on barns and other farm buildings throughout Shawano County. Several of the quilts were sponsored and painted by 4-H clubs in the county while the others were sponsored by local businesses, service clubs and farmers themselves and were painted by members of the Shawano Country

barn quilt committee. A link has been added to the Shawano Country Chamber of Commerce website that includes photos and information on all barn quilts on display in the county. Just go to [www.shawanocountry.com](http://www.shawanocountry.com) and click on the barn quilt icon. Also on the site is a downloadable, printable map showing the location of every barn quilt in the county. The map and information on all the quilts in the county can be found on pages 10-11 in this visitors guide. Anyone interested in sponsoring a barn quilt or becoming involved in the project can contact project coordinator Jim Leuenberger at [jamesleuenberger@yahoo.com](mailto:jamesleuenberger@yahoo.com) or 715-524-5685.

## SHAWANO COUNTY AGRICULTURE

Agriculture is a vital part of life in Shawano County. There are hundreds of family-owned farms, food processors, and agricultural businesses generating thousands of jobs and millions of dollars in economic activity.

The county is home to almost as many cows as people and ranks among the top in the state for milk production. Shawano County's diverse agricultural industry also includes a notable amount of grain, livestock, sheep, goats, swine, Christmas trees, and maple syrup production.
