GRESHAM AREA ADVANCEMENT ASSOCIATION

The Gresham Area Advancement Association (GAAA) in conjunction with area residents and businesses has implemented a quilt project. The goal of this group is to make Gresham a better place to work, live and play and to entice more people to visit. Visitors and locals alike will enjoy the brightly colored additions to businesses and individual residences in and around the Village of Gre-

sham. Many of the designs are themed to reflect the interests of the property owner or the business they adorn. The creative volunteer group has created squares that are 2' x 2', 4' x 4' and 8' x 8' in size. Pick up your copy of the Gresham Quilt Guide at Gresham businesses or the Shawano Country Chamber of Commerce and Visitor Center at 1263 S. Main Street, Shawano.

This map represents the approximate location of the barn quilts listed on pages 8 and 9.
